Description

Abundant storage, a spacious cockpit and remarkable performance make the 160 a hit with families seeking the performance and fun of fiberglass boating on a reasonable budget. Trailering the lightweight 160 is a breeze, as is operation and maintenance.

- Lightweight design and included trailer make the 160 an easily towable and launchable craft.
- The 160's beam forward design creates more room in the bow for passengers and under seat storage.
- Grab handles and textured bow steps ensure safety.

Features

Length (m)	4.93m
Beam/Width (m)	2.18m
Deadrise (degrees)	16
