More thoughtful storage solutions, a deeper freeboard and sleeker styling are just a few of the exciting improvements made to the fully revamped 175 Bowrider, the best-selling fiberglass boat in the world for nearly 10 years! The redesigned motor box features more sound insulation for a quieter ride, tie-downs for securing tubes, and a flat, recessed surface that functions as a table. The worlds best ticket into the boating lifestyle just got even more rewarding.

- Solid construction and heavy duty marine grade vinyl stand the test of time
- Removable rear seat cushions provide easy walk through access to the transom
- Added sound insulation on motor box provides a quieter ride
- Getting in and out of the water is a cinch with the optional swim platform extension and three step ladder
