Description

Sporty looks, plenty of storage, a smooth, comfortable ride and an attractive price puts the 180 Outboard in a class of its own. Savour long days on the water far from the pump thanks to the power and fuel-efficiency of the standard 90-hp Mercury EFI 5 stroke. Exceptional cockpit space, a drivers seat with flip-up bolster and optional watersports pylon or fishing pack will keep the entire crew comfy, energized and eager for more.

- Textured grip surface along the forward gunnel ensures firm footing when you climb in or out
- The 180's easy to read dash panel is treated with non glare coating so the captain is always in command
- A spacious cockpit and verstatile seating allow up to a crew of seven to come along
- The 180's port console includes stereo controls and a self draining glove box/ cooler perfect for stowing refreshments
- Storage abounds on the 180, including under the cockpit floor. Keep skis, life jackets and other toys tucked away when not in use
