Year	2016	Category	Motor & Power Boats
Hull Style	Single	Hull Type	Fibreglass
Power Type	Power	Stock Number	
Condition	New	State	Western Australia
Suburb	MIDVALE	Engine Make	

Description

The VR5 builds on Bayliner's proven V-bottom runabout heritage, while adding form AND function. Forward, the boat employs Bayliner's category-leading BeamForward™ design, which carries the full 8 feet of beam further forward in the boat than ever before. The self-bailing cockpit features Bayliner's new AftAdvantage™ design that increases the aft seating area by extending it to the aft most point of the running surface, then adding the swim platform at the end of the running surface. This keeps the platform apart from the usable interior space, rather than encroaching on it. The result is a boat that maximizes space and value like never before.

KEY FEATURES

- BeamForward™ design with high gunnels creates more passenger space, under-seat storage and safety.
- Exceptionally roomy cockpit thanks to our exclusive AftAdvantage™ design
- Standard integrated swim platform and optional platform extension are positioned further aft than comparable models adding interior space while providing the ideal staging area for water sports.
- Available Water Sports or Fishing Options let you customize the VR5 to suit your family's needs.

Features

Length (m)	6.20m
Beam/Width (m)	2.44m
Fuel Tank Capacity (L)	132L
