Description

A larger version of our new VR5, the VR6 is also all about space and unparalleled roominess. By combining Bayliner's category-leading BeamForward™ design, and new AftAdvantage™ concept—which increases the self-draining cockpit's seating area by adding the swim platform at the end of the running surface—this boat maximizes space and value like never before. You'll also find pleasant surprises like a lockable enclosed changing room (head optional), and aft-facing companion/observer seat that's ideal for water sports and—with the addition of a filler cushion—creates a comfortable U-lounge that turns the whole aft section into an inviting gathering area.

KEY FEATURES

- BeamForward™ design with high gunnels creates more passenger space, under-seat storage and safety.
- Exceptionally roomy cockpit thanks to our exclusive AftAdvantage™ design
- Spacious cockpit seating converts to inviting U-lounge with addition of optional filler cushion
- Enclosed changing room with optional port potty provides convenience normally found on larger boats
- Standard integrated swim platform and optional platform extension are positioned further aft than comparable models adding interior space while providing the ideal staging area for water sports
- Available Water Sports or Fishing Options let you customize the VR6 to suit your family's needs.

Features

Length (m)	6.82m
Beam/Width (m)	2.44m
Fuel Tank Capacity (L)	132L
