## Description

Mer cruiser 8.2 H.O DTS Inboard - One size doesn't fit all. Proven technology, rock-solid reliability and an unbeatable combination of performance and fuel efficiency.

### Power & Performance.

High-displacement volume and premium MPI fuel injection combine to deliver outstanding acceleration, instant planing and smooth performance throughout the rpm band. Mercury® SmartCraft® Digital Throttle & Shift is standard, providing precision throttle response and effortless steering.

### Fuel-Efficient.

Electronic multi-port injection (MPI) and standard Emissions Control Technology (ECT) combine to deliver precisely the correct amount of fuel for every stage of operation – no more, no less. The result is fuel economy that stretches your boat's range and your dollar.

### Corrosion Protection.

The freshwater closed-cooling system (standard) dramatically limits potential corrosion. In fact, Mercury® is so bullish about the anti-corrosion technology built into these engines, we offer a standard four-year limited corrosion warranty in addition to the three-year limited factory-backed warranty.

### Durable & Reliable.

Mercury's Engine Guardian continually monitors critical sensors for any sign of a problem and immediately takes action, while the water-cooled Cool Fuel delivery system prevents vapor lock. Rugged construction, including stainless-steel exhaust, ensures long-term, hassle-free operation.

### HP / kW

- 425 / 317

### Maximum RPM (WOT)

- 4400-4800

### Engine type

- V-8

### Displacement (L)

- 8.2

### Bore and stroke

- 4.47 x 4.00" / 113.5 x 101.6 mm

### Compression ratio

- 8.75:1

#### Recommended fuel

- Unleaded Regular 87 Octane Minimum (R+M/2) or 90 RON 10% Ethanol Maximum

#### Fuel delivery system

- Multi-point Electronic Fuel Injection (MPI)
- Sequential Fuel Injection with DTS

#### Air induction

- High inertia induction system

#### Ignition

- Distributorless ignition with knock control

#### Alternator amp / Watt

- 65 amp / 917 watt

#### Water drain system

- Single point air actuated

#### Exhaust system

- Tuned runner exhaust manifolds with 316 stainless steel tubular dry joint elbows

#### Cooling system

- Brass sea water pump
- Closed cooling
- Long life 5-year antifreeze

#### Accessory drive system

- Auto-tensioner
- Serpentine belt

#### Recommended oil

- NMMA Certified FCW 25W-40 Synthetic Blend

#### Engine guardian system

- SmartCraft Engine Guardian

#### Dimensions (L x W x H)

- 35 x 33 x 24" / 878 x 838 x 610 mm

#### Weight (engine only)

- 990 lbs / 449 kg

#### Compatible drives

- ZF 63A Down Angle
- ZF 63IV V-Drive
