Description

The sleek, all-new 170 Outboard is big on space, storage and handy features. In fact, the only thing small is its price tag. Sport Seating includes dual bucket seats and a broad aft bench. The deep freeboard promotes onboard safety, and the under-gunnel storage system and lockable port dash storage eliminate clutter. A quiet, smooth 90-hp engine comes standard.

Whether it's fishing or skiing, the 170 OB is a great all purpose boat.

- Ample cockpit space creates a comfortable ride for the captain.
- Wraparound windscreen with safety glass opens in centre for easy access to the bow
- Port side lockable storage provides added security
