Suburb	MIDVALE	Engine Make	

Description

The largest in Bayliner's revamped Deck Boat family comes powered with a reliable, watersports-friendly Mercury sterndrive, which offers impressive holeshot even when the 215 has hit its (also impressive) people capacity of 12. Easy-to-reach grab handles and cup holders amplify comfort and safety in the spacious bow seating area, while a roomy in-floor locker accommodates skis, water toys and other gear, keeping the cockpit clutter-free. Additional under-seat storage can be partitioned based on your needs. And a portside storage bulkhead, which doubles as a changing area, can be upgraded to serve as optional day head.

- Grab a wakeboard or fishing rod, turn the key and be ready to go in an instant with the optional fishing or watesports packs
- Tonnes of room for family or friends with space to spare and all the amenities from transom shower to portable toilet you will need for a long day in the Aussie sun
- Got kids, need space but a cruiser is too large to handle, the Bayliner 215 is perfect and simple to maintain

Features

Length (m)	6.27m
