Description

The next evolution of the Element Series, the Element XR7, combines the comfortable, spacious and plush deck of a pontoon with a sleek outer profile. Melded to our innovative patent-pending M-Hull, it brings better seaworthiness, styling, handling and performance that leaves the old fashioned party ‘barge’ in its wake. Premium upholstery and well positioned seating forward and aft enhance onboard space while deep freeboard keeps gear secure.

- Be the life of the party on the water this year with a new sleek stylish yet spacious design
- M shaped hull is stable but sporty with watersports including wakeboarding and tubing a serious pursuit with the optional ski tow bar
- The Element XR7 is pure luxury on the water with the space of a deck boat and the performance of a runabout
