Description

The EF2000iS Inverter Generator: powerful, portable and super sleek with lots of great features. This overall best seller is great for recreational activities such as camping, fishing and boating. It's the perfect companion for the motorhome, caravan or RV.

The EF2000iS has enough power to run a microwave oven, a camping fridge, small air conditioner, kettle or television. It is fitted with a newly designed muffler and air filter to achieve super quiet performance and because of its advanced Noise Block sound reduction system you can have a conversation without having to raise your voice.

Also available with TwinTech Parallel Use function - for almost double the power when connecting two EF2000iS together!
