Description

The ultimate generator on wheels, the EF3000iSE is capable of producing clean, quiet, high quality electricity around the home, caravan or motorhome and even on the construction site or market stall.

It is capable of running up to 20.5 hours at quarter load with Economy Idle On, without refuelling. Features include an electric starting system for effortless start-ups every time, as well as an optional wireless remote start/stop kit that works up to 10 metres away.
