## Description

Light, compact and incredibly versatile the new F130 has set new benchmarks for weight and performance in the mid-range horsepower market and carries on Yamaha's proud heritage of exceptional saltwater 130 horsepower engines. This outboard was designed with Australian boaters in mind and delivers awesome acceleration and mid-range responsiveness as well as incredible fuel efficiency. This proven 1.8 litre, 16 valve, Double Overhead Camshaft, four-stroke engine features large intake and exhaust valves for efficient transfer of fuel and exhaust. The single electronic throttle valve allows for precise throttle movements to deliver exceptional response. Technical Specification
