EquipmentHull

- Compact & lightweight inflatable boat, ideal boat tender. Easy to carry, comfortable and roomy.
- X Stitch air floor. Thousands of X-stitched fibres give much more rigidity than traditional drop-stitched air floor.
- Features non-slip patches for safety.
- Horizontal floor support thrust board.
- Inflatable keel forms a V in bottom of the boat for improved performance.
- Stainless steel towing eyes in transom, make ideal davit lifting points.
- ABS sheet laminated transom, eliminates transom maintenance.
- Inside one way water drain.

Buoyancy Tube

- Mehler Haku PVC fabric.
- 3 separate internal air chambers for safety.
- Semi-recessed air valves - self draining, internal spring-loaded quick seal system, with plug.
- Rounded end cones. Ideal for quicker planning & four stroke outboards, eliminates water backwash and provides better stability.
- Easily accessible internal lifting eyes, make ideal davit lifting points.
- Fold down rowlocks, for neat compact storage of oars and provides room for seating along the tubes.
- Durable grab rope.
- Dragon handles, soft and comfortable.
- Rub strake
- Combined cleat / grab handle.
