Suburb	MIDVALE	Engine Make	

**Description**

These are boats that can carry a lot of people and gear....the largest model accomodating up to 10 adults! \* They feature pliable tubes and a low freeboard, making it easier for people to roll off and re-board. \* They're built to last too, with specially reinforced fabric and aluminium and fibreglass floors for extra sturdiness in rougher water. \* They're also strong enough to take bigger engines, with the largest model able to accommodate up to a 55hp outboard.

- EquipmentHull
- Ideal for diving and fishing.
  - Aluminium floorboards with strong interior construction (#1 & 2 floorboards are fibreglass).
  - Inflatable keel forms a V in bottom of the boat for improved performance.
  - Stainless steel towing eyes in transom, make ideal davit lifting points or towing eyes for water sports activities.
  - ABS sheet laminated transom, eliminates transom maintenance. Includes plastic shim to raise motor height if necessary.
  - Inside one way water drain.

- Buoyancy Tube
- Available in Mehler Haku PVC or Achillies HP fabric
  - 3 separate internal air chambers for safety.
  - Semi-recessed air valves - self draining, internal spring-loaded quick seal system, with plug.
  - Euro-style rounded and reinforced end cones.
  - Easily accessible internal lifting eyes, make ideal davit lifting points.
  - Ample grab ropes for easy exit / entry.
  - Oar stowage.
  - Rub strake.
  - 6 x combined external cleat / grab handles for easy transportation and launching.
  - 2 external stainless steel D-rings under the bow
  - Bow-eye / handle
  - Extra eyelets for installing bow bag
  - Additional double layer wear pads (embossed anti-skid pattern for Mehler Haku PVC boats)

- Standard Equipment
