Boat Details

Price	POA	Boat Brand	Mercury
Model	Bravo IÂ® XS Outboard	Length	0.00
Year	2021	Category	Boat Parts and Accessories
Hull Style		Hull Type	
Power Type		Stock Number	0
Condition	New	State	Western Australia
Suburb	MIDVALE	Engine Make	

Description

The Mercury Racing Pro FinishedBravo I XSoutboard propellers offer excellent time to plane performance, sweet mid-range punch and awesome top-end speeds for bass, flats, cat flats and performance center console bay boats.

The stainless steel propeller, designed for use on Mercury V-6 OptiMax, OptiMax XS and OptiMax Pro XS outboards, features four robust blades and a tuned exhaust tube with 1" vent holes for enhanced acceleration and mid-range punch. The shortened exhaust tube provides greater top-end speed while minimizing stern lift for improved boat handling and performance.

SPECIFICATIONS

Pitch 22", 23", 24", 25", 26", 27", 28", 29", 30", 31"
Rotation RHH
Finish Pro Finish

APPLICATIONS

Contact Mercury Racing Performance Propeller Manager Scott Reichow at 920-924-2037 regarding propeller applications and performance.
